

DN2008R5

Plain doors | Power Distribution

This door replaces the rear panel in a floor standing enclosure to allow for rear access of equipment installed in the front, or for using back to back mounting plates to increase the enclosure's mounting space.

Plain door

H	2000
W	800
Item no.	DN2008R5

Description: Standard door equipped with double-bit 3 mm lock system and door frame. Door accessory kit DMK (hinges, rod catches) to be ordered separately. Allows all the options of the locking program and 180° hinges. Compatible with combinable and compact ranges.

Material: 2 mm steel plate.

Maximum load: 800N.

Finish: RAL 7035 structured powder coating.

Mounting requirements: Use hinge kit DNMK if no door was fitted previously.

Pack quantity: 1 piece.
