W (c)	1032
D (c)	510
Weight (kg)	178.00
Item no.	MCD20126R5
Enclosure type	Combinable, double door, without rear door

The mild steel double door combinable floor standing enclosure range, MCD, is ideal for installation in confined spaces where a single door, when opened, would take up too much space in front of the enclosure. The doors' loading capacity also increases as it is divided over two doors. With a IP 55 protection degree, components inside the enclosure are well protected and makes it well suited for many different applications.

IP 55 | TYPE 12, 13 | IK 10
